Mr. Miller,

I have not received a response from you re: this request. Again, MFR would not maintain the types of records you are seeking. Please let me know if there is anything else I can do, otherwise, I will begin the process of closing out your FOIA request.

Maj Miller, USMCR

Subject: FOIA DON-USMC-2017-006165

Mr. Miller,

Marine Forces Reserve (MFR) has received the subject FOIA request. I have reviewed the request and the letter you attached. Based on the type of records you have requested, HQMC maintains those type of records, and Manpower Management Records & Performance (MMRP-10) is the appropriate place from which to request these records.

The following website provides a brief overview of where different type of records are maintained and where they can be requested:

<http://www.hqmc.marines.mil/Agencies/Office-of-Legislative-Affairs/Congressional-Correspondence-Section/Records-Request/>

Typically, the types of records you are requesting are available to the Marine and next of kin, so I can't say whether you will be able to obtain them from HQMC via the FOIA process based on the reasons articulated in your request. What I can say is that MFR does not maintain these records.

Unless there is something else, I will begin the close out process of your request.

Thank you,

Maj Miller, USMCR
